Re.: B.A. Construction & Restoration Inc. - Company Services

The success of a construction project can be determined by a contractor's accountability, quality and timely delivery. B.A. Construction's commitment to excellence is clearly shown through its qualified craftsmen and workmanship.

As a board of director member of the Islamic Shia Ithna-Asheri Jamaat of Toronto (ISIJ), it is with great pleasure that I recommend B.A. Construction & Restoration Inc. to carry out brick and stone work.

They have provided services in the construction of the Jaffari Community Center located at 9000 Bathurst St. in Thornhill, Ontario. During the course of construction, B.A. Construction & Restoration Inc. has displayed a high degree of dedication and customer service that has surpassed our expectations. We are extremely pleased with the end product, and have been privileged to work with an exceptional company.

Sincerely,

Mohamed Arif Asaria
