Dear Andrew,

I am writing to thank you for the wonderful work you and your team did on the exterior restoration of Holy Angels Church in Etobicoke. We have received many compliments thanks to your work.

I also wanted to send my gratitude to the project manager, Paul Seider, who was very professional and organized on the job site. Paul was extremely accommodating in working around the scheduled church services, which was greatly appreciated by the parishioners.

On the next project we have, we will be sure to use your company again as we were very pleased with the high quality of workmanship and attention to detail that your company offers. Thank you again and we will be in touch.

Sincerely,

John D. Znaczo
