RE: Letter of Reference

Dear Mr. Ngresi,

As per our discussion we are pleased to provide you with a letter of reference in regards to the two masonry restoration projects completed in 2005.

During the 2005 season both GL Roberts High School and Thorah Public School valuing in excess of \$900,000.00 are considered a success. The tight timelines and the ability of your team to work with our office allowed two large projects to be at a completion point allowing unimpeded access into and around both schools.

We look forward to working with you during the 2006 season.

Yours Truly
