To: Whom it May Concern:

St. Joseph's Ukrainian Catholic Church awarded a contract to B.A. Construction and Restoration Company for Brick and Stone to enclose a 45,000sq.ft. structure. The Church envelope was complex and required a fair amount of detail work. I have known Andrew Seider from a previous project.

The work was supervised by Andrew Seider and his son Paul. We were very satisfied with the workmanship and the response time to issues. Additional savings were recommended by Andrew 's team and the project met our cost objectives.

In summary we would use B.A. Construction and Restoration Company on another project.

Fred Shlapak

A handwritten signature in black ink, appearing to read "Fred Shlapak". The signature is written in a cursive style with a large, prominent "F" and "S".
